

DS Core™ Care

Advanced service and support to enable practice success

DS Core™ Care is the all-round technical service and support solution that protects your Primescan Connect™. The extensive service offer includes accidental damage coverage, express replacement as well as preventive and digital service capabilities.

Benefits of DS Core™ Care for Primescan Connect™

More time with your patients

The all-round DS Core™ Care solution for Primescan Connect™ helps your equipment and your practice run reliably and efficiently - so you can focus on treating your patients.

Quality

Benefit from excellent products paired with high quality service you expect and deserve. From express replacement, hotline support to remote troubleshooting – all done by trained service technicians.

Investment Protection

In case of unexpected incidents or accidental damages, DS Core™ Care has your Primescan Connect™ covered – receive a replacement device with the included express replacement at no additional costs.

“For me, it is essential to know that I can rely on the equipment I invest in for a long period of time. But in a practice often the unforeseen can happen. This is why it is very reassuring to me that DS Core™ Care covers accidental damage and express replacement for my Primescan Connect™ so that I can focus on treating my patient.”

Dr. Meena Barsoum (sponsored) | Dentist | United States
